

BluWave is a premier provider of information, insights and resources supporting accelerated value creation

BluWave delivers an innovative solution helping you find leading, vetted practitioners to achieve your business goals

"I calculate that BluWave gives us at least a 10x return on our investment – and when we get to crunch time that number spikes dramatically."

– CEO, Private Equity Backed Company

BluWave Intelligence Platform & Service

The BluWave Intelligence Platform and Service deliver a proprietary, technology-supported center of excellence enabling our customers to connect with best-in-class value creation partners. The platform and service are accessible to customers 24/7/365, saving time, reducing risk and improving outcomes. The Intelligence Platform and Service are:

- **Vetted:** Providers are selected based on capabilities, references and background supporting PE/VC-backed businesses
- **Rated:** Customers provide detailed feedback ensuring unparalleled expertise and service delivery from providers
- **Cross-functional:** Expertise spans a wide range of competencies across the organizational landscape, covering virtually any business needs you may have
- **On-demand:** Strategic and cost-effective, minimizing execution time and the need for permanent resources
- **Full Service:** Customers work with a dedicated team of BluWave professionals supporting their success

"Every time we call our BluWave team, we're connected with expert resources helping us get things done. They're a real force multiplier for us."

– Partner, Middle Market Private Equity Firm
